

GPS Fishing Maps and Fishing Spots - What our Fishing Spots Packages come with.

We offer this Fishing Maps-Fishing Spots format in SC, GA, FL, AL, MS, LA and TX. The below applies to all.

What's it come with, exactly? - With any of our fishing spots maps that we offer, you will receive the following VIA email as a package ready to upload-import to your GPS, iPhone, iPad, Tablet or other device. For over 5 years, we've offered this format in several states as the original and only company working with professional fishermen to bring you this format and these fishing spots for one of the best fishing spots maps available to the public. Period.

1. **Fishing Spots that load directly to your boats GPS** - File in raw GPS format with all fishing waypoints (fishing spots) for the area you have purchased. Once uploaded to your GPS using your SD Card or Compact Flash Card (CFC), all the GPS coordinates and their names will show on your GPS Map and in your waypoints list on your GPS. [See what it looks like loaded to a GPS - Sample Only](#) (view may vary, depending on your base GPS map - Works with most GPS)
2. **Google Maps-Google Earth Fishing Spots Map** file that uploads very easily to your Google account. Once uploaded to your Google account, your Fishing Spots will be usable, viewable and editable on most any device on the world that uses Google Maps or Google Earth. If you don't have or use Google Earth or Maps on your device, we have an alternate App for using on your Android Platform, all Free of charge after your purchase. [See what a sample of what it looks like on a Tablet](#) (Samples do not show all spots)
3. **View comments on your fishing spots** - Most of our fishing spots have comments mentioning what type of bottom you can expect to find at that spot and other various details. Much of this info transfers to your GPS comment

section (depending on how your GPS accepts comments) and comments are shown with a simple click in all the Google earth and Google Map Files on most devices. [See a Sample of Fishing Spots Comments](#)

4. **Label Matched printable PDF fishing spots file** document for viewing or printing your Lat/Long coordinates, These printable and viewable coordinates are label matched and can be entered into most any GPS in the world. Print this and take it with you on the boat, or save the file for safe-keeping in case you ever need it for reference or you find the need for using the lat/long coordinates for your purchased area. [See a PDF Printable File Sample Fishing Spots List](#) (*Samples may or may not show local fishing spots*)

5. **Advanced Fishing and Rigging Tutorials** for Inshore/Bay, nearshore and offshore fishing (where applicable). Our guides have come together to compile excellent, detailed tutorials for those who need them to include tips on rigging for offshore bottom fishing, rigging and trolling.

6. All the above mentioned files are included with each and every fishing spots map we offer, in any area available for purchase. These files are conveniently emailed the same day of purchase to get you on the water immediately. Note: For you convenience, these files are sent in a ZIP file for easy handling. We suggest un-zipping/Extracting the Files to an easy to find location, such as the desktop on your computer.
